Report of Orientation Program - 2018

An orientation program was arranged for first semester students of admission year 2018 in the seminar hall of this institute. All the students were called along with their parents to attend this orientation program. The objective of this program was to convey some information such as GTU exam pattern, institute's rules and regulations, code of conduct, Government scholarship, SCOPE, etc., to the students and their parents.

The program was initiated with Maa Saraswati Vandana and headed by Mr. Hitesh S. Jariwala, Head of Mechanical Engineering Department, under the guidance of Prof. Dipak D. Purohit Sir, Principal of this institute. Prof. D.D.Purohit sir explained the discipline rules & regulations of the institute to the students and their parents. He also motivated the students to become a good engineer and to make their future bright.

We are thankful to Mr. J.J.Chhowala (Head, Civil Engineering), Mr. V.M.Bhatt (Head, Computer Engineering), Mr. N.P. Joshi (Head, Electrical Engineering), Mr. N.D.Mehta (Lecturer, Electrical Engineering) and Mr. P.K.Patel (T & P Officer) for their kind support.
